

November 22
Exodus 20:1-11

Big Idea: *The first and greatest commandment - Love the Lord your God.*

Remember

Think through the sermon and big idea from Sunday.

Think about the first table of commandments. What were the commands that were talked about on Sunday?

What are some things that stood out to you from the sermon?

Deepen

What are some things in verses 1- 4 that we learn about God's character?

How is God's jealousy different than our own?

What makes an Idol? How would you define an Idol?

Why do we desire to love other things more than God?

What are ways we can take God's Name "in vain?"

In Every generation and culture there are Idols that take the place of our One God. What are some of the Idols that we serve in our culture?

Why are we so drawn to our particular Idols?

What are some ways we can seek to satisfy our own hearts with God rather than our Idols?

Transform

What are some personal idols that you need to repent of?

What are some ways that we need to reorder our weeks so that we can pursue loving God, with our time and energy?
