Deepen
There is a strong call to good works in the book of Titus.

- What are some ways we can be careful in doing good works?
- What might devoting ourselves to good works look like?

We like to do good works for others, but what keeps us from letting others know about urgent needs in our lives?

- How can we grow in these areas as a Community Group?
- How can we better care for one another?

Discuss as a CG ways to be engaged in good works.

Paul warns Titus about division in the church. Two things mentioned on Sunday about this were gossip and mistrust.

- How can these destroy a church.
- How can we be on guard against those?
- What responsibilities do we have as members of Exodus to engage these things?

Transform
Titus unites faith and practice, belief and behavior.

- Why is it so crucial that we hold these closely together?
- Why must we keep the gospel as our central hope for life change?
