

## **House Rules**

### **Family Values**

#### **3.3.13**

#### **1 Timothy 3:14-16**

### **Reminder**

- Upcoming Move – Discuss this and answer questions
- Easter Info
  - Invite Cards
  - Easter Offering for Church Planting

### **Remember**

When in your life did realities change and it was hard?

-a job change

-a move

-a roommate issue

What were some things that helped you walk through those changes?

When Brian distinguished between realities and values, what do you think he was trying to say?

### **Deepen**

Spend some time talking through the Core Values of Exodus Church and the passages listed.

- Redemption/Gospel - Ephesians 2:1-10
- Community - Ephesians 4:11-16
- Worship - Ephesians 3:14-21
- Mission - Ephesians 6:10-20

How is Jesus central to all of these values?

In which values do you see the need for growth? Individually? As a Community Group? As a Church Family?

### **Transform**

Brian mentioned that the main value people are concerned about losing would be community. How can we as fight for this value in particular? Individually? As a Community Group? As a Church Family?

Part of Community in Ephesians 4 is each part working properly. Spend some time celebrating ways in which you have seen God's grace in people doing this. Individually? As a Community Group? As a Church Family?

Spend some time praying for God to provide needed leaders and servants for the various roles for the upcoming transition.

- Pray for the Security Team - that they would have a combination of strength and grace that would make our guests feel safe and welcome.
- Pray for the Signage Team - that they would have wisdom and communicate well so our guests and our members are well informed.
- Pray for our Greeters - that they would display Jesus in the first impressions given to those who come.
- Pray for our Design Team - that they would have wisdom and creativity as they work to make new space attractive for us.
- Pray for our AV Team - that they would transition well to the new space and adjust quickly to the various issues facing them.
- Pray for all of our Church Family - that we would labor with all the strength God provides to hold onto our values while our realities change.
