Remember

Read – 1 Timothy 5:1-16

What stood out to you from the Sunday gathering this week?

Why do we need to remember the gospel clearly in a passage like this?

Deepen

This passage (v. 1-2) calls us to interact like a family inside the church. What are some ways you/we are doing this well? What are some ways you/we could grow in this? (*we...meaning, as a CG)

This passage calls the church to rightly discriminate. What are some ways you discriminate (or judge) wrongly?

Read – Deuteronomy 10:17-18, James 1:27, Psalm 68:5

How does God show His care for widows (and orphans) in Scripture? How should God’s heart for widows and orphans effect us as Christ followers?

Read – 1 Timothy 3:14-15, John 13:34-35, 17:20-23

How is the truth of the gospel put on display when we honor and love each other the way Christ calls us to?

Transform

Did the Holy Spirit convict you of anything from the sermon? How do you need to repent and believe His way to be better?

We cannot care for and honor anyone like this until we have received Christ’s care and grace for us. How have you been a recipient of God’s grace? How does this affect your life in light of this passage?

Men, how are you providing for your families...in life and in the event of your death (life insurance, etc.)? Provision is more than financial, but never less than.

What are some ways you need to apply the truth of this Scripture in your life today?
