Remember

Talk with your group about hospitality as a gospel value. Jesus welcomes us (though we have made ourselves enemies) to the Father. We can display this gospel by welcoming new people (who are not our enemies) into our lives. Challenge the group to be aware of our guests and intentional about connecting with them.

Read John 6:1-21

What stands out to you from the passage?

What stands out to you from the sermon?

Deepen

Talk about the feeding of the 5000. Take a moment to imagine that moment. Let the group discuss.

Talk about Jesus' walking on the water. Take a moment to imagine that moment. Let the group discuss.

How do each of these reveal that Jesus is the Christ, the Son of God?

The primary thing happening in this passage is the sign Jesus performs, but he does test the disciples with a question. How do they respond?

When you think about Jesus testing them (particularly since he knows what he's going to do), how does that make you feel? What do you think about that?

What are some tests you have or are experiencing right now?

What are these tests revealing about your heart?

Transform

Read James 1:2-4. Discuss how this passage speaks into the tests that we are facing.

Do the tests you are facing tend to drive you to Jesus or to yourself? Explain

Spend some time praying for your group. Perhaps someone in the group is in a particular test that needs prayer. Be aware and sensitive to that.
